**We want to spread our message.
Everyone is different.
Everyone is equal!**

WHAT DOES JEDI MEAN?

JUSTICE

JUSTICE MEANS BEING FAIR. IT'S ABOUT MAKING SURE EVERYONE IS TREATED THE RIGHT WAY AND THAT RULES ARE FOLLOWED SO NOBODY IS LEFT OUT OR HURT.

EQUITY

EQUITY MEANS GIVING EVERYONE WHAT THEY NEED TO BE SUCCESSFUL. EVEN IF IT'S NOT THE SAME FOR EVERYONE. IT'S HELPING PEOPLE IN DIFFERENT WAYS SO EVERYONE CAN JOIN IN.

DIVERSITY

DIVERSITY MEANS HAVING LOTS OF DIFFERENT KINDS OF PEOPLE TOGETHER. PEOPLE CAN BE DIFFERENT IN HOW THEY LOOK, WHAT THEY BELIEVE, OR WHAT THEY LIKE - AND THAT MAKES THINGS INTERESTING AND SPECIAL.

INCLUSION

INCLUSION MEANS MAKING SURE EVERYONE FEELS WELCOME AND PART OF THE GROUP. IT'S ABOUT INVITING EVERYONE TO PLAY AND MAKING SURE NO ONE IS LEFT OUT.

THE GREEDY DOG

ORIGINATED FROM ANCIENT GREECE

There once lived a dog in a village. He was always hungry and looking for food. The dog was also very greedy and was never satisfied with what he had or got. The dog kept wandering everywhere, searching for food and could never get content. Each time the dog got food, he would promise himself that he would be happy with what he had and not crave it anymore. But within a few seconds, he would forget the promise and try to look for more food or grab it from another animal.

One day, he was wandering and searching for food as usual. A river flowed by his house and a bridge was there to help everyone cross to the other side. He decided to cross the bridge by his house and look for food on the other side. He looked all around but could not find anything. Suddenly, he spotted a bone lying outside a small hut. The bone was big and juicy, and he ran to grab it, and held it tightly in his mouth. He thought he would cross the bridge and eat it at leisure at home. He was afraid that if any of his friends or other animals spotted the bone, they would also want a share of it. He wanted to devour it all by himself!

As he was crossing the bridge to go home, he saw another dog holding a bone in its mouth. He noticed that the bone looked as juicy and big as the one he had. He began to think about how lucky he would be if he got that bone to eat too. He started thinking of ways to get the other bone from the dog in the river. He barked at the dog, assuming the other dog would immediately throw the bone. The moment he barked, the bone in his mouth fell into the water. He also fell into the water in surprise, and floated away till he was able to get onto dry land. He then realised that the dog he saw was not another dog but his own reflection. He regretted his action and realised it was a big mistake to be greedy. He had to return home without a bone and nothing to eat. He realised he had paid a heavy price for his greed. He learned his lesson and promised himself he would no longer be greedy.

WHAT DO YOU THINK
IS THE MORAL OF THE
STORY?
